Amendment of regulation 33

11. Regulation 33 of the principal Regulations is amended—

(a) in paragraph (3)(b), by deleting the word “or”;

(b) in paragraph (3)(c), by substituting for the full stop the words “;or”;
and

(c) by inserting after paragraph (3)(c) the following paragraph:

“(d) has had at least seven (7) years of experience in the field of industrial property by virtue of being an ex-officer of the Office.”.

Substitution of regulation 42

12. The principal Regulations are amended by substituting for regulation 42 the following regulation:

“Filing and service of documents and things

42. (1) Any document or thing required or authorized by the Act or these Regulations to be filed at the Office or with the Registrar shall be delivered by hand to the Office during its normal business hours or be sent to the Registrar by post.

(2) Sending by post shall be deemed to be effected by properly addressing, preparing and posting a letter containing the document or thing, with the prepaid postage on it, to the Registrar at the Office and the document or thing shall be deemed to have been received at the time when the document or thing is actually received by the Office.

(3) The filing of a document or thing with the Office shall be deemed to be effected at such time as it is received by the Office and is recorded as received.”.

New regulations 42A and 42B

13. The principal Regulations are amended by inserting after regulation 42 the following regulations:

“Electronic filing of documents and things

42A. (1) The Registrar may provide a service for the electronic filing of the document or thing required or authorized by the Act or these Regulations to be filed at the Office or with the Registrar.

(2) A person who intends to use the service provided under subregulation (1) shall comply with the terms and conditions as may be specified by the Registrar, either generally by notice published in the official website or, in any particular case, by notice, including through electronic means, to the person desiring to use such service.

(3) A document or thing which is electronically filed under this regulation shall be deemed to be effected at such time as that document or thing is accepted by the electronic filing system.

(4) Where any accompanying document or thing is not capable of being filed electronically, such accompanying document or thing may be delivered or sent to the Registrar in the manner specified in regulation 42, subject to such terms and conditions as the Registrar may specify.

Terms and conditions for electronic filing

42B. (1) Without limiting the generality of subregulation 42A(2), the terms and conditions for electronic filing shall include the following:

- (a) the procedure to be complied with for the electronic filing of documents and things;
- (b) the format or media in which a document or thing is to be recorded or stored for purposes of electronic filing;
- (c) the manner of authenticating a document or thing which is required to be stamped, signed, sealed or certified, including the requirement for a digital signature of the person filing the document or thing; and
- (d) the actions to be taken in the event of an interruption in the process of performing an electronic filing.

(2) Notwithstanding regulation 42A, the Registrar may refuse to accept or register any document or thing which is filed electronically, if—

- (a) the information contained in such document or thing is not capable of being displayed in a legible form;
- (b) the electronic record of such document or thing is not capable of being stored in the electronic filing system;

- (c) the electronic record of such document or thing appears to the Registrar to be altered, damaged, incomplete or forged; or
- (d) any of the terms or conditions on electronic filing specified by the Registrar is not complied with.”.
